Moms Raise Up Society

WHO WE ARE

Momivate is a **nonprofit** organization dedicated to strengthening and supporting motherhood as a powerful and valuable contribution to society.

We create programs and communities that help motherhood fit real life today — recognizing that modern moms need **flexibility, connection, and opportunity**, not pressure or perfection.

Our goal is to make motherhood feel more do-able, fulfilling, and respected, so moms can thrive – because children benefit from engaged, confident, and supported mothers.

HOW WE'LL DO IT WITH YOUR HELP!

We invite individuals and organizations who care about supporting mothers and the rising generation to sponsor our efforts.

Your sponsorship helps us grow our programs and serve more moms, and we steward those funds carefully. In return, we give you opportunities to share your message and services with the mothers in our community, creating real value for both you and the moms we serve.

WHAT WE'RE DOING

We are actively developing innovative programs that provide **real** solutions to common maternal challenges such as isolation, limited growth opportunities, financial strain, and lack of recognition.

Even with modest resources, we have continued to expand our reach and create **meaningful impact** for mothers.

We've hosted several events, ranging in size up to 400 participants. Our most popular program, the **Revolving Closets**, serves an average of 3000 families per year across our 9 locations.

Looking ahead, we are excited to advance several new initiatives, including:

- The **MomEconomy App**: designed to help mothers exchange skills and services, easing financial strain and building community connections.
- Peer-Facilitated **Support Groups**: safe, accessible spaces where mothers can find encouragement, share experiences, and strengthen one another.

Consider collaborating with us, *because children need their moms and their moms need support.*

Momivate is a registered 501(c)(3) nonprofit organization. Sponsorship contributions may be tax-deductible in accordance with IRS regulations
